POND Committee Purpose

Established in 2011 the Pond Committee researches, evaluates, and provides recommendations to our Board regarding solutions to existing problems, changes, and improvements to sustain a healthy, balanced, and attractive pond environment.

Pond Committee

POND History

- City-designated storm water detention pond and pocket park
- 2012/2013 Pond Restoration Project Cost and Stoneybrook Budget Impact
- Partnership with GAIA Landscape and joint oversight

POND Committee Projects – 2018

- Drain/dredge south pond; lily replacement
- Remove Yews on north pond island and replace
- Complete north pond improvements

Stoneybrook Village Owners Association

Pond Committee

- Added signage – “Please”
- Defined common area behind last 3 lots facing south pond to determine Stoneybrook and resident responsibilities

POND Committee Projects – 2019

- Drain/dredge north pond
- Pond improvements
