BOARD REPORT

Committee met Wednesday, March 6, 2019

Attending: Kathleen Petrucela, Diane Marthaler, David Stewart, Elizabeth Bunker, Carol Rice, Marcia Solomon, Kate Mathews, Rebecca Bond.

1. St. Patrick's Day Dinner, Saturday, March 16, hosted by the Lodge. Entertainment provided by Corvallis Celtic Dancers and Dinna Fash Celtic Trio. Sixty-six people have responded as I write this report; but there is another day before deadline for reservations.
2. Next event will be Cinco di Mayo on Sunday, May 5. Look for details in "Happenings."
3. Homeowners are invited to attend Assisted Living events. Schedule will be posted in the Clubhouse. Off-site events will need reservations on a space-available basis. Call Rebecca Bond at Assisted Living for more information.
4. Interior painting is scheduled for March 21 to April 3. Pool/meeting room will be done first in or order lessen the impact for meeting space. There is bound to be some inconvenience and we ask for your patience.
5. Patio furniture has been selected and approved by the committee; requesting Board approval under action items.
6. Clubhouse exterior lighting complaint from lasts month is in the process of being repaired.
7. There has been very little response for request to help plan and execute events. Please consider what you might be able to do to take the burden off a few people. Again, this is not a year-long commitment. Getting involved in one event would be a tremendous help.

ACTION ITEMS:

The Clubhouse/Activities Committee requests approval to purchase new patio furniture. Quote from Emerald Pool and Patio is attached.
