

## Landscape committee report December 2012

The Landscape committee received three Landscape requests thru January 8, 2013. Two were regarding leaf removal and one was to notify TruGreen about deer activity on 49<sup>th</sup> street.

Kurt Powell, Ann Brown, Lyn Martin and Barbara Bowns did a walk through on December 11<sup>th</sup>. Issues looked at were as follows;

- Changing sprinkler heads behind clubhouse and pool house to prevent overwatering.
- Discussed better pruning techniques on trees under 15' so tops are trimmed in addition to sides.
- Viewed trees recently replaced on the 45<sup>th</sup> street curb area.
- Discussed vetch control in Community garden paths and applying iron for moss control to the garden paths.

No other issues were brought forth during December.
