

Pond Plantings 2016 – resident donation from 2015

By the electrical outlet is Redtwig Dogwoods and Varigated Rush

Varigated Rush

Redtwig Dogwood

On the lawn side between the pumphouse and the waterfalls is Scouler's Willow and another Redtwig and Carex grasses

Scouler's Willow

Carex grasses

Wapato plants are interspersed in the 'drainage dam' cobbles between the 2 ponds

The Cannas are planted in the large boulder wall just south of the waterfalls; and one Canna in a small pocket behind/north of the waterfalls.
