

STONEYBROOK VILLAGE OWNERS ASSOCIATION
RULES AND REGULATIONS
REPORT TO THE BOARD – October 9, 2014

We are now meeting twice a month. Our meetings are scheduled for the 3rd and 4th Tuesdays of each month at 4:00 p.m. in the Clubhouse.

Cindy Bond and Steve Napack are preparing a written response to the Committee with the reasons the Introduction that was presented was rejected by the Board. Based on this response, the committee will rewrite and resubmit the Introduction for the Board's approval.

We are working on completing the Minutes Search and the R&R Working Index.

We have found Board Directives the committee believes are NOT rules. A list of these directives will be given to the Board so they are aware of them and we will ask that they confirm that none of them should be listed as rules.

Jean Brunk has resigned from the committee. Her service was greatly appreciated and we hereby thank her for her participation in this effort. Steve Napack has informed us that because of other priorities taking so much time, he will temporarily not be attending meetings in his ex-officio capacity.
