

STONEYBROOK VILLAGE CLUBHOUSE/ACTIVITIES COMMITTEE

Board Report

Wednesday, March 11, 2020

Committee met Wednesday, March 4, 2020

Attending: Kathleen Petrucela, Bill Edmonds, Lana Lackey Diane Marthaler, Kate Mathews, Cooper Pawson, Carol Rice, Marcia Solomon, Dale Ward. Guests: Doreene Carpenter, Mel Greenblatt

1. At the urging of Mel Greenblatt, the Clubhouse/Activities committee spent some time discussing the threat of the coronavirus. At this time, we are not limiting our activities but we do encourage residents to heed the precautionary measures that are being published by all the health organizations, politicians, and doctors offices. We realize this is a moving target and if there are any cases reported closer to Corvallis, we will act immediately to curtail gatherings in the Clubhouse.
2. St. Patrick's Day event is next week: Tuesday, March 17, starting at 5:30 for social and a performance by the Irish Dancers. Dinner follows at 6:15, and Dinna Fash Celtic Trio will begin at 6:30. This event is sponsored by Stoneybrook Lodge who also provides the food. Reservations closed. at end of day Monday
3. The second of our Life Speaker Series will feature Terry Tallis. Title of his talk is 28 Bucks a Foot. I guess you will have to attend to find out what that means. Sunday, March 22, at 4:00 PM in the Clubhouse.
4. If you like to plan ahead, Cinco de Mayo event will be held Tuesday, May 5. Chuva Boa Jazz Ensemble has been scheduled to entertain.
5. Be sure to check the bulletin board for activities at the Lodge and Assisted living. Homeowners are invited to participate in their events; if you have questions, call the appropriate facility.
6. We want to remind homeowners they are welcome to post events and notices on the bulletin board. There is a folder to the right of the bulletin in which you can place your flier and it will be posted if it meets the guidelines that you will also find in the folder. Posters, fliers, notices, etc. should not be taped to the doors or anywhere else in the Clubhouse.
7. New chairs have been selected and ordered for the Clubhouse. Two more patio tables and eight chairs have been ordered for the patio.
8. Exterior painting will begin when weather permits.
9. Activities Committee is looking for more people to learn how to operate the A/V system. If you are interested, please see David Stewart.
10. Deadline to submit articles for the Happenings is March 20. Since there is no longer an Association News, I have been asked to include information other than Activities Committee events in the Happenings. It is the recommendation of the Clubhouse/Activities committee that other Stoneybrook committees distribute their information by submitting it directly to Kurt at WCM, by the 25th of the month so he can send it out in the email with the Board Minutes and Happenings. Next Clubhouse/Activities Committee meeting will be held Wednesday, April 4, 2:00 PM, in the Clubhouse.
