

Stoneybrook Village Preparedness Committee

Board Meeting: November 9, 2017

- I. **Last Preparedness Meeting:** October 2, 2017, SVOA Clubhouse
Next Preparedness Meeting: November 13, 7 PM in SVOA Clubhouse

- II. **Liability**
The SVOA Disaster Plan, when describing the response teams, has the line “Every volunteer will be asked to sign a waiver accepting personal responsibility prior to being accepted to these teams.” We request that the Board consult with a lawyer &/or our insurance company on whether such a waiver is needed and what it should include, if it is.

- III. **CERT Training**
CERT training is going very well. Six of the seven classes are complete. Fifteen Stoneybrook residents signed up for the class. It appears that everyone is learning and finding the classes worthwhile. The final class and a functional disaster exercise will be on Nov. 11. The next CERT training is not yet scheduled, but is anticipated to be in January-February timeframe. Those who missed this training or individual classes will be invited to the next ones.

- IV. **Supplies**
The First Aid Response Team and the Assess & Assist Team have been assembling lists of supplies they feel they will need to be effective. We will be putting together a budget and schedule to purchase these supplies out of the annual Preparedness Committee budget.
