- I. **Last Preparedness Meeting:** November 7  
**Next Preparedness Meeting:** December 5, 7 PM in Stoneybrook Lodge
  
- II. **Last Workshop: October 13**
  - 25 attendees
  - Positive feedback
  - 8 participants signed up to help with Preparedness activities and to participate in possible response teams.
  - Next Workshop: "Making a Preparedness Kit" (Feb/March 2017)
  
- III. **New Neighbor Update**

The Preparedness Committee educates new neighbors on the Help Your Neighbor program and Needs/Resources Survey shortly after the Welcome Committee visits them. We are now nearly caught up with the large turnover from this summers.
  
- IV. **SVOA Preparedness Plan**

The SVOA Preparedness Plan was sent to several outside organizations for input. Suggestions for a few improvements from the Benton County Emergency Planner were discussed and some of them will be included in the plan. We expect to hear from 1-2 others. Due to the pending turn-over in Board members, we will delay submitting the final plan until the February Board meeting.
