

SVOA Preparedness Committee Report for 3-12-15 board meeting:

The Preparedness Committee met March 9th, 7 – 8 pm in the clubhouse.

- Water kits were assembled and will be distributed soon with an instruction sheet to those that ordered them. Plans were discussed to demonstrate the use of the kit. Most of the gas shut-off wrenches have been delivered.
- A supply cabinet has been ordered and delivery arranged with help from the Lodge.
- A discussion was held about plans for the next community workshop about building a personal preparedness plan. The committee decided to engage Dr. Sheila Sund, a physician with personal experience in earthquake preparedness, to facilitate a community workshop in June, possibly for the 23rd from 3-5 pm.
- Next Preparedness Meeting will be held April 13th, 7-8 pm in the clubhouse.
