

Stoneybrook Village Preparedness Committee

Board Meeting: May 8, 2019

Last Preparedness Meeting: April 8, 7 PM, Stoneybrook Lodge

Next Preparedness Meeting: May 13, 7 PM, Stoneybrook Lodge

I. Response Team Gear Cabinet

A cabinet was purchased from OSU Surplus for \$10 and placed in the SVOA office. It is now full of hard hats, safety vests, and other supplies for the Assess & Assist Response Team.

II. Help Your Neighbor Cards

The Preparedness Committee and other volunteers phoned all Stoneybrook homes to remind residents about the Help-Your-Neighbor cards and to keep them up to date. Generally, the calls and reminder was greatly appreciated. Two residents said they did not want to participate. We found that ~60 homes either did not know about the cards, or didn't know where the cards currently are. We will be following up to bring these people new cards and information.

III. Neighborhood Association

A Neighborhood Association information meeting is being planned to be held on May 11 at the SVOA Clubhouse. A copy of a flyer about it was sent with the Association Information. Corvallis Community Development printed 40 flyers for us that were distributed by a team of SVOA volunteers door to door to 47th Pl. residents and residents adjoining SVOA on 45th and 49th St. as invitations to the meeting.
