

Report from Tree committee  
February 7, 2020

John Pywell the city forester/arborist is checking with his supervisor about the acorn problem in the Village. He promised to report the results of his consultation before the February Board meeting. If the information is received Logan Norris will report at the Board meeting in February. The Tree Committee will continue to monitor this issue and will report developments to the SVOA Board.

Logan Norris, Bob Laport and Bill Dannenbring, SVOA Tree Committee
