

WELCOME COMMITTEE REPORT
October 10, 2018

1. New Residents –We have five welcome visits pending. So far in 2018, we have welcomed just one new resident.
2. We will delay the third quarter update to the directory until November with the hope of including some of the yet-to-be welcomed new residents. Currently, there is nothing new to add since the update was last published in July.
3. At our November meeting, we will begin preparation for the 2019 Single Family Residents' Directory.
4. Final meeting date for 2018: Nov. 12. We meet at the Clubhouse at 11 a.m.
