

WELCOME COMMITTEE REPORT  
March 9, 2016

1. New Residents –One welcome visit was made in the past month. Three visits are pending.
2. Delivery of the 2016 Stoneybrook Single Family Residents' Directory has been completed. We collected old directories and will take them to The UPS Store for shredding. As we delivered, we emphasized that it is important to shred the directory rather than recycle it to protect our neighbors' privacy.
3. Beginning this month, we will advise the Preparedness Committee of residents who move in and out of Stoneybrook Village on a monthly basis so they can update their pending visit list as well as their Needs and Resources database.
4. Meetings for 2016 –May 9, Aug. 8, Nov. 14. All meetings are held at the Clubhouse at 11 a.m.
