Stoneybrook Village Disaster Preparedness Presentation
What is it Really Like in a Disaster?

Our SVOA Preparedness Committee in conjunction with our Board of Directors invites all SVOA residents to a town meeting to hear first-hand what happens in the aftermath of a disaster. Who gets by and who suffers? This is another step towards motivating us to becoming a Disaster Resilient Community.

DATE: May 27

TIME: 3 - 5 PM

PLACE: Stoneybrook Club House

GUEST SPEAKER: Peggy Peirson: Benton County Emergency Management (retired)

Come join us as we hear about Peggy's multiple experiences in responding to aid survivors from the most devastating hurricanes, including Katrina and Puerto Rico, and the important ways we can begin to prepare ourselves,
