Preparedness Committee

The Stoneybrook Village Preparedness Committee presented a workshop on June 15th on their PLAN for Stoneybrook Village in the event of a disaster. If you did not attend or if you did not read it yet on the website, please go to www.SVOA-Corvallis.org / HOMEPAGE and look for SVOA Disaster Preparedness Plan. If disaster strikes, we can save lives by pulling together as a community and this plan will help us do that. The body of the plan is only four pages long, followed by Appendixes with good information on some of the potential hazards we face. So, PLEASE read it soon, and also make sure you have your *Help Your Neighbor* green cards up to date!

Yard Signs

Yard signs were again discussed by the Board. The CC&R (Amended and Restated Declaration of Protective Covenants, Conditions, Restrictions and Easements for Stoneybrook Village, dated October 5, 2011) paragraph 6.7, states that:

“Signs on any Lots shall be limited to 24 inches by 36 inches and are not to be displayed for more than 30 days. For Sale or Lease signs and Security System signs are exempt from this provision.”
