Meet the Candidates

Sheila Coxon, 2310 SW Peony Street

As I enjoy working with others on challenging tasks, I was pleased to join the recently created Pond Committee. While analyzing and researching the pond issues, I have become aware of many of the issues our Association faces. Some of these issues are similar to those my two former homeowner associations handled. While living at Watergate at Landmark (a 1460-unit high rise condominium in Alexandria, VA), I volunteered on its finance and budget committees for about 8 years and was elected to its Board of Directors, serving 2 terms. Shortly after moving to Alameda, CA, I joined the budget committee of Garden Isle HOA (a 346-unit townhome community), and later was elected to its Board of Directors, serving until I moved to Corvallis a little over a year ago. It would be a privilege to serve as a member of our SVOA Board, and I would commit my time as required to be an effective member. Thank you for your consideration.

Lyn Martin, 5006 SW Hollyhock Circle

The opportunity to fill a vacancy on the SVOA Board for a few months has shown me it is a privilege to serve the interests of the Village community. Clear communication and conscientious stewardship are values I share with my fellow board members. The experience I have gained as a member of Baha'i administrative bodies at both the local and state level gives me a strong appreciation of the power that resides within a community to exercise its wisdom for the benefit of the whole. I am willing to commit the time and energy our community-building process requires.

Tony Olsen, 4632 SW Birdsong Drive

I was elected to the Board in December 2009 and have served as Treasurer since then. Sandi and I have lived in Stoneybrook since October 2007 and have lived in Corvallis since 1990. I believe that serving on the Board is an opportunity to contribute to the livability of Stoneybrook. Past Boards have made significant progress in improving the governance of Stoneybrook and I am committed to continuing their work.

***Note on pond project:** in January or February 2012, when the pond options have been determined, there will be a forum held to present the options and a vote of the membership will be held to determine the option choice.

Board Meetings are scheduled for Wednesdays December 7, December 21, and January 4, 2012 at 9:00 a.m. in the clubhouse.
