Board Meetings - The Board meets on the second Wednesday of the month in the Clubhouse at 9:00 a.m. You are welcome to attend the upcoming meetings. They will be held on April 10, May 8th, and June 10th.

“Your Communications Committee at Work”

The Communications Committee, chaired by Susan Hayes, serves the Stoneybrook community in three important ways. The seven committee members meet quarterly in February, May, August and November to conduct and plan the committee’s activities.

Each time you look at your Stoneybrook Single-Family Residents’ Directory you are benefiting from the committee’s work. Since 2005, we have produced the Directory to help you get acquainted with your neighbors. Sammi Lehmann has produced the directory since the beginning with an assist in the last three years from Susan Hayes. Charlie Taft, though not a committee member, contributes the centerfold map. Susan prepares the quarterly update to the Directory.

Newcomers to Stoneybrook are greeted by one of three committee members – Virginia Walter, Barbara Rossbacher or Creagh Hawes – who visit all new single-family residents. They share information that new residents need to know about living in Stoneybrook, ask if they want to be listed in the Directory and answer any questions.

The Association Information newsletter that you receive each month is written by Lois Palermo with assistance from Jean Brunk. The newsletter contains information that the Board or any committee wish to bring to the attention of residents.

2013 Single-Family Home Directories have been delivered. Contact Susan Hayes (Chair) or Sammi Lehmann (Directory) regarding any changes or additions to your information during the year so that our Directory information is kept current.
