Board Meetings - The Board meets on the second Wednesday of the month in the Clubhouse at 9:00 a.m. You are welcome and encouraged to attend the upcoming meetings. They will be held on May 8th, June 12th(correct date/error last issue), and July 10th.

Clubhouse Bulletin Boards – See our bulletin board to learn of available services or upcoming events. There are also many forms available in that same corner of the Clubhouse such as Emergency Medical Information (card for refrigerator posting for 911 responders), Landscape Maintenance or ARC Change Requests, Clubhouse reservations, Applications for NEW Fire Medical Membership (ambulance insurance), Authorization to Hold Mail, Authorization to change the way you receive information from our community manager WCM (US mail to e-mail – or the reverse), and more! And, while you're there you might check out a good book to read.

If you wish to announce an event, or offer a service, please give a contact reference and date the information you are posting; remove it no more than 30 days after the posting date.

Bulletin Board postings are **for information only** and **have not been screened** by SVOA.

Reminder: Recycle yard debris and trash containers should be placed on your driveway or on your parkway at the curb for pickup. The street sweeper comes by on garbage days so this is particularly important as you will not receive this service if any of your containers are in the street. The street sweeper will drive around them.

“Your Activity Committee at Work”:

Your activity committee assists in the planning and presentation of social activities for the Single-Family Home Residents of Stoneybrook Village. The goal of all planned activities is to promote and encourage community interaction for fun, fellowship, entertainment, education and development of a closer social community. Send us your ideas, input, requests and encouragement – it is a lot of work, but we love it!

The activities committee organizes the monthly potlucks, 4th of July Barbecue, Thanksgiving and Christmas potluck events, and an “Evening of Music” periodically. We are also responsible for writing and editing the monthly publication “Happenings” that describes and reminds us of the planned events. The committee also oversees usage of the clubhouse kitchen, the lending library and the jigsaw puzzle collection.

The majority of our planned activities are dependent on your generous donations. Please look for donation containers at each activity or event. We thank you for your donations!

A few of our larger events engage the services of local musicians and can be expensive. In order to bring these quality events to our community we may need to ask for a specific admission fee.
