Board Meetings are scheduled for Wednesdays September 7, September 21, and October 5 at 9:00 a.m. in the Clubhouse.

Clubhouse Mailbox – There is a new label on the mailbox to indicate what things should be placed in it.

Architectural Review Requests – ARC reminds all owners that it is necessary to get approval for changes to the exterior of your home for things such as painting, putting up a satellite dish, planting trees, changing the grading, etc. If in doubt, fill out the form and the Committee will tell you if it isn't required. ARC meets on the 1st Monday of each month.

Association Vote by mail – The Election Committee reports that as of August 20, 108 ballots had been received representing 121 votes; 28 ballots representing 67 votes had not been cast. Each question requires 141 votes (75% of the eligible voters) to vote “yes” in order to pass. Election Committee volunteers continue to encourage voters to turn in their ballots.

Pool – You are asked to not move the benches in the poolroom as to do so is damaging the new pool deck surface.

Pond Committee – A Pond Committee has been formed to research information regarding care of our pond and to make reports to the Board. Those who have volunteered to serve are Henny Chambers, Sheila Coxon, Rich Embree, Bob Laport, Adrienne Lawrence, Jan Napak, and George Novak. The Pond Doctor's report can be seen at the SVOA website <http://www.svoa-corvallis.org>. A hard copy is also available to be borrowed from Barbara Bowns at 541-758-8432.
