**Board Meetings** are scheduled for the 2<sup>nd</sup> and 4<sup>th</sup> Wednesdays of the month at 9:00 a.m. in the clubhouse. Meetings are on the calendar for March 14<sup>th</sup>, March 28<sup>th</sup>, and April 11<sup>th</sup>.

**Stoneybrook Garden** sign up sheet has eleven (11) people signed up for the fourteen (14) spaces available. Each space is numbered and also has the person's name on the space if it has been assigned. Gardeners are asked to **meet together on Thursday, March 8, at 10:00 a.m.** to hopefully get answers to any questions they may have in order to be ready for this year's growing season. If you have questions before the meeting or want to sign up for one of the available spaces, call RobinJeanne Parks.

**ARC Walk-Abouts** are a part of the routine work done by the Architectural Review Committee (ARC). When members have their walk-about, they walk through the community to see that it is in good shape; or, if needed, to note conditions that need to be corrected to comply with the CC&Rs and other governing documents. They also answer questions about how to handle the Change Request forms or to give guidance to you on your proposed projects. Richard Town is a new volunteer on the committee; and, if you would also like to volunteer, call the chair, Chuck VandeWetering.

The Fixit Group is a branch of the ARC. At the request of the Board, they take on small projects around the village that fit their talents. This is an enjoyable way to work together with others as well as reduce costs for the Association. This group does not have regular meetings; they only get together when there is a job that needs doing. If you are interested in volunteering for this group, Chuck VandeWetering is the person you should call.

**Card Keys** – Owners have asked how they should handle their card key to the Clubhouse/Pool if they are selling their home. Your card key should be passed along to the new owner in the same manner that you hand over your keys to the home. If new owners have not received the card key at escrow, they should contact WCM.
