**Board Members:** Barbara Bowns, Sheila Coxon, Lyn Martin and Tony Olsen

**Board Meetings** are scheduled for the 2<sup>nd</sup> and 4<sup>th</sup> Wednesdays of the month at 9:00 a.m. in the clubhouse. Meetings coming up are on September 12<sup>th</sup>, September 26<sup>th</sup> and October 10<sup>th</sup>. Before year end, the Annual Meeting will be held; new Board members will be elected; and, the 2013 budget will be presented.

**VOLUNTEERS!** So much of the work done here at Stoneybrook is done by volunteers and we thank each and every one of them for the big part they play. Stoneybrook is greatly in need for **you** to consider what part you might take on to meet the following needs that are coming up:

**SVOA Board Members** – terms are ending for some of the current Board and you may be asked to serve by a nominating committee. However, our practice has always been to also encourage owners to volunteer to serve. Our Association needs this kind of dedication in order to function properly.

*Contact a Board member to let them know of your interest*

**Nominating Committee** – to help in finding the dedicated people needed to serve on the Board, we need volunteers willing to work together to find the right people to do the job.

*Contact a Board member to let them know of your interest*

**Committees** – two ongoing committees are seeking new members. They provide an opportunity to get to know others; to learn more about your community; and to gain the satisfaction of a job well done.

The **Activity Committee** plans social events and publishes “Happenings” each month. It is mailed to all residents by E-mail or U.S. mail; we suggest you note on your calendar the dates of the events you would like to attend when it arrives. Call Henny Chambers at 541-752-3646 to suggest an activity, to volunteer to serve, or for the date of the next meeting.

The **ARC (Architectural Review Committee)** fills a vital role in advising on projects and approving plans for owners to make to their property. Persons interested in serving on the committee or wanting to learn more about its function should call Chuck VandeWetering at 541-207-3211.

**E-MAILS** (Subjects of recent E-mails sent to those on the E-mail Contact List)
